

TRU Floor Interactive Backdrop Update

Backdrop Graphic, PN 51806
New Release Stickers, PN 51923

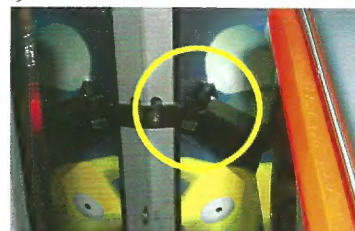

*Assistance may be required to move the interactive

1. Locate Floor Interactive Backdrop (PN 45362)

2. Unscrew top brackets that attach interactive to backdrop. Leave attached to interactive (*if you do not have the bracket hardware, call DOTS to order PN 47271)

3. Lift backdrop fixture up to undo bottom brackets from interactive

4. Unscrew brackets from backdrop

5. Remove current backdrop graphic (PN 46503)

6. Locate new backdrop graphic, PN 51806

6. (cont'd) Remove adhesive backing from velcro dot on top left corner

7. Insert that corner of graphic into channel and apply pressure to velcro to adhere to backdrop

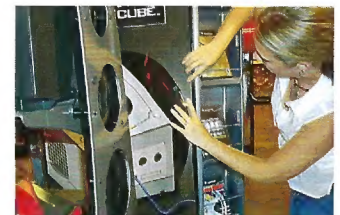

8. Insert entire left side of graphic into channel

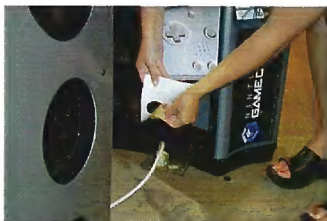

9. Remove adhesive backing from bottom left corner, apply to backdrop and insert into channel

10. Remove adhesive backing from velcro on top right corner of graphic. Apply pressure to adhere to backdrop and insert edge of graphic into channel

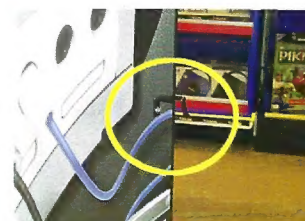

11. Insert entire right edge of graphic into channel

12. Remove adhesive backing from bottom right corner of graphic. Adhere to backdrop and insert into channel

13. Holes on backdrop should be accessible through holes on graphic

14. Reattach bottom brackets to backdrop. Lift backdrop fixture up to clip bracket onto interactive

15. Reattach top brackets to backdrop

16. Replace current Top Hits sticker with New Releases sticker (PN 51923) on both sides of backdrop

Updated Backdrop
